Extra Services

La Toque is a full-service caterer. We provide a complete range of services to satisfy our clients' great events.

Besides the food, the next most important aspects are the design and the ambiance. Careful attention is given to specific details such as the colors of table linens and napkins, centerpieces, decorations, the flow of traffic through the event and table layout, timing, music and accommodations.

Please review our different services and contact us to organize your personalized private or corporate function.
